

LY CORPORATION LIMITED
(Incorporated in the Republic of Singapore)
(Company Registration No. 201629154K)

PROFIT GUIDANCE FOR THE THREE (3) MONTHS PERIOD ENDED 30 JUNE 2019

The Board of Directors (the "**Board**") of LY Corporation Limited (the "**Company**", together with its subsidiaries, the "**Group**") wishes to issue a profit guidance based on the currently available preliminary assessment of the Group's unaudited financial results for the three (3) months period ended 30 June 2019 ("**2Q2019**").

The Group is expected to report a loss for 2Q2019 which is attributable to a decrease in revenue due mainly to the following:

- (a) decrease in the number of container loaded with products ("**40-ft containers**") as a result of lower demand from the Group's customers from the United States of America;
- (b) discounts being offered on some of the products (mainly veneer laminated) to the customers due to the drop in demand for such products in the market; and
- (c) different product mix whereby the Group sells more paper laminated products which have lower selling prices as compared to veneer laminated and/or spray-painted products.

The Company is in the process of finalising its financial results for 2Q2019 and will provide further details of the Group's performance when it announces its unaudited financial results for 2Q2019 on or before 14 August 2019.

In the meantime, shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
